

Accidental Death and Dismemberment Coverage for only \$18 a year per employee

Few people are prepared for the sudden financial impact brought on by accidental death or dismemberment. Have the peace of mind that your employees will be covered with SecureCare.

You can't always prevent an accident...but you can prepare for one.

Protect your most valuable asset, your employees, with SecureCare.

As a current Workers Compensation Fund policyholder, you and your employees are eligible for the SecureCare Accidental Death and Dismemberment coverage. As a Workers Compensation Fund policyholder, you have given your employees the best coverage while they are at work. With SecureCare, now you can offer them some protection when they are not.

KNOW THE FACTS

FACT | Accidents are the leading cause of death for people ages 1-44.

FACT | One American dies from an accidental injury every four minutes.
